## WOLLONDILLY ARTS GROUP WORKSHOPS

Wollondilly Arts Group is very grateful for the CASP\* grant that has enabled us to offer a series of subsidised workshops. The inspiring workshops held in May & June introducing you to the art of 'Encaustic Painting' and 'Image transfer' with Mo Godbeer have been a great success.

In October there will be a third workshop 'Polymer Screen Printing' with Kathy Geurts. Please see information below and register your interest ASAP.

In this workshop students will learn how to reproduce their own artwork onto photopolymer silk screens.

These screens can be used to print onto fabrics, paper or polymer. We will be printing onto polymer and the student has the choice of making a piece of jewellery, a journal plate cover or piece of homeware.

There is no pressure to make a finished piece in the class should the student prefer to make several printed sheets of polymer which can be stored for many months before being applied to an end use.

### **The Tutor – Kathy Geurts:**

Kathy is a mixed media artisan, creating, selling, and exhibiting her own range of jewellery and objets d'art under the Studio Amara brand, a fusion of design styles, techniques and materials resulting in one-off designs. She sells her work at numerous outlets in NSW, ACT and Victoria. She also designs for her other business 'Versa' – corporate communications graphics and print publication.

She is running her own beginners workshops in polymer clay and precious metal silver jewellery design at the BDAS Gallery workshop, Bowral and Berrima Village Hall in Berrima and working in collaboration with Benedict House, Queanbeyan, where she also conducts workshops.
