Presidents Report

The past two CGTs have been full of laughs and some great work produced but June's CGT was SO well attended, we ran out of tables! The head count was 20, with even a MODEL for the chosen subject "animals", Pams cute little dog, wonderful day.

Zaiga would like to report, that the WAG8 Exhibition Committee met, and are asking members for a donation towards the RAFFLE prize (so start bringing in things for us to collect for a gift basket.)

WAG8 NEWS UPDATE, Our annual exhibition has a new date November 16th – 24th 2013 this brings it back to the correct time of year for WAG, SO Paint paint paint. A big thank you to Lavinia and her husband Matthew, for securing a cash prize sponsor for our WAG8 exhibition - Mowbray Park Produce, more info at CGT. Happy painting Julie Hodges!

Gallery News

Anna was in the gallery on Sunday with NO lights on and NO signs or flags out. She was there with her husband in the dark and would go over to the park and drag people across, how could they resist? She sold a painting and 2 cards and got a full page of feedback from people. Amazing! Thank you Anna.

Website

Thank You to Zaiga for creating an exciting new website attachment, which features CGT. Photos and could feature paintings for sale - still working on that, Zaiga will keep us posted.

Arty Tips

Sprinkle salt over wet watercolour paint and it will create a mottled foamy effect which is perfect for creating the 'sea' Let the painting dry once you have sprinkled the salt on, and then once dry, you can simply rub the salt off into the bin.

Artist Saying

"If you didn't have fantasies you wouldn't have problems because you'd take whatever was there. But then you wouldn't have romance, because romance is finding your fantasy in people who don't have it." - Andy Warhol, 1970

Art Quiz

What is a vanishing point?

- A. The point in a painting beyond which things are so small you can't see them.
- B. The point in a painting where the sky meets the ground.
- C. The point on the horizon where parallel lines appear to meet.
- D. The point in a painting where an object disappears behind another.

Quiz Answer: C. The point on the horizon where parallel lines appear to meet.
